

NORTH DAKOTA PORK MINI-GRANT APPLICATION

The North Dakota Pork Producers have funds available for mini-grants for pork education. These are to be used in secondary Family & Consumer Sciences classes and adult education courses. Grant monies are to be used in the purchase of **FRESH** (not processed pork products) only for classroom/lab experiences.

Since check-off funds are used to fund this project the evaluation form must be filled out and returned from last year or we will not be able to issue you a grant this year.

Please use the enclosed application form to apply for a mini-grant for the 2008-09 school year. If you would like recipes for your students just contact the NDPC at 9905 66th St SW, Regent, ND 58650, call 701-563-4513, or e-mail ndppccm@ctctel.com.

We appreciate your help in educating future consumers about the value of adding pork to the diet. The mini-grant has a dollar value of \$5.00 to \$30.00, depending on the number of students.
